

## EP Lesson Plan

\_\_/2024

| Subject: |  |                      | Class:   | Date: | Period:               |  |  |
|----------|--|----------------------|----------|-------|-----------------------|--|--|
| Unit:    |  |                      | Topic:   |       |                       |  |  |
| ]        | ndicators/Learning   | outcomes:            |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          | Student will engage in the following of teaching activities: You can choose more than one. |                      |          |       |                       |  |  |
|          | ☐ Pairing  | ☐ Group Work _       |          | re    | Project Base Learning |  |  |
|          |  |                      |          |       | ☐ Experiment          |  |  |
|          |  |                      |          |       | ☐ Critical Thinking   |  |  |
|          | ☐ Collaborative Learning   |                      | ☐ Other: |       |                       |  |  |
|          |  | Students will learn  |          |       |                       |  |  |
|          | <b>Objectives:</b>   | 1.                   |          |       |                       |  |  |
|          |  | 2.                   |          |       |                       |  |  |
|          | Learning   |                      |          |       |                       |  |  |
|          | Materials/Resources:   |                      |          |       |                       |  |  |
|          |  | <b>Introduction:</b> |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  | Teaching:            |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          | Teaching   |                      |          |       |                       |  |  |
|          | activities:  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  | Conclusion:          |          |       |                       |  |  |
|          |  | Conclusion:          |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          | Assessment:  | K:                   |          |       |                       |  |  |
|          | (How)  | P:                   |          |       |                       |  |  |
|          |  | A:                   |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |
|          | Notes/Comments   |                      |          |       |                       |  |  |
|          | after the lesson:  |                      |          |       |                       |  |  |
|          |  |                      |          |       |                       |  |  |

| Learner's Competencies (P) ☑   |   |  |  |  |  |
|--|---|--|--|--|--|
| ☐ Communication capacity   |   |  |  |  |  |
| ☐ Thinking capacity  |   |  |  |  |  |
| ☐ Problem-solving capacity   |   |  |  |  |  |
| ☐ Capacity for applying life skills  |   |  |  |  |  |
| ☐ Capacity for technological application   |   |  |  |  |  |
| Desirable Characteristics (A) ☑  □ Love of nation, religion and king □ Honesty and integrity □ Self-discipline □ Avidity for learning □ Observance of principles of Sufficiency □ Dedication and commitment to work □ Cherishing Thai-ness □ Public-mindedness □ Demonstrates social responsibility □ Respectful |   |  |  |  |  |
